

Cleanburn announces the arrival of

# The Løvenholm

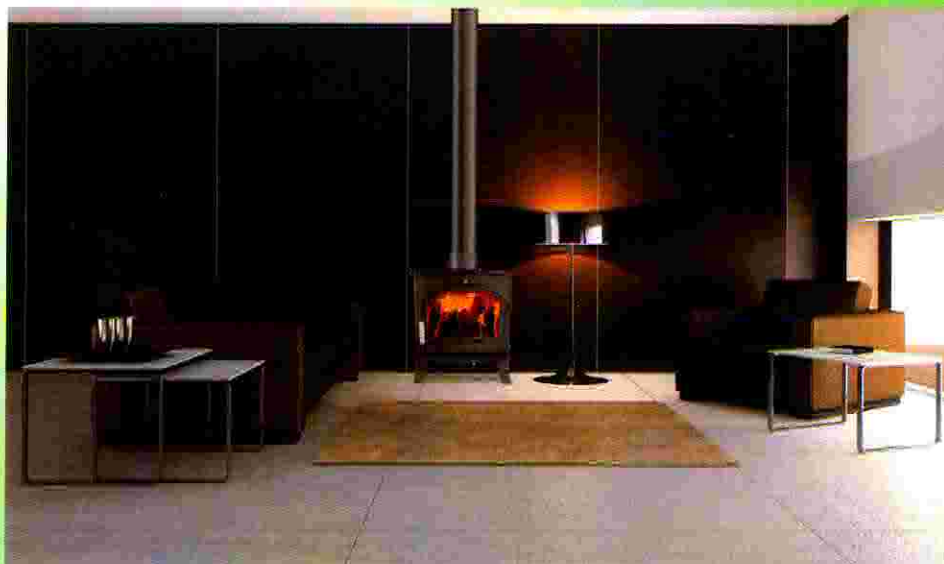

**NOT TO BE SOLD ON  
THE INTERNET**

Slender & sleek, the Løvenholm is a glamorous centerpiece for any room. It's Scandinavian design is equally suited to a traditional setting as a modern one.

**NOT TO BE SOLD ON  
THE INTERNET**

If you're looking for low environmental impact, but high design impact, the Løvenholm is a natural choice.

Clean lines and clean thinking characterise the Løvenholm. It's minimalist looks are matched with an eco-friendly performance.

Choose from Double Doors or Single Door, Black or Stainless steel handles. Choices Choices.....

Please see the enclosed brochure for further information on the low emissions and triple burn technology.

The Multi Fuel version comes in at an attractive price of £649 inc vat.... however if you wish to be even more **ECO-FRIENDLY** why not purchase a woodburner only which comes with a full **CAST IRON** woodburning kit as standard for only £629 inc vat. Then to complete the contemporary and striking look why not add the optional stainless steel handles for only £30.... the question is can you resist????

Please visit our new Cleanburn website for up and coming events and news along with your very own dealership log in section for web media and press media images.

For further information, brochures and to discuss show room displays please contact the Sales Office @ Hunter Stoves Ltd, on your dealerline 01392 841904. We look forward to hearing from you.

Environmentally Friendly
