## Why Choose Fondis?

*Fondis have a strong reputation for impeccable quality, functionality and aesthetics.*

*Fondis invented the cassette fireplace in 1981, and continue to be at the forefront of innovation with products such as the award winning Lumia.*

*Fondis products are up to 83% efficient.*

*Burn times of up to 14 hours can be achieved with a single load of wood.*

*The patented Visioceram self-cleaning glazing ensures a clear view of the fire can be gained at all times.*

*Fondis manufactured the first high efficiency double sided continuous burning fireplace.*

*Fondis are also the forerunner in large curved-pane fireplaces.*

*Fondis manufacture using corten steel. This material has the property to cover itself with an auto-protective layer that preserves it from heat corrosion.*
